Proficient   🔵🔵🔵🔵⚫

SKILLS

Programming

| C/C++ | MatLab | CSS | C# | HTML | PHP | Arduino |

| Java | Python | SQL | XML |

Others

| LINUX | Git | ROS |

PROJECTS

Robotic Controller using data from a depth-camera
📍 Cluj-Napoca, Romania
🔗 https://youtu.be/VMJ-xDw5EG8

Using a depth camera in order to replicate the user's right-hand movement/position to a robotic arm.
- When developing this projects I had to use robotics/kinematics knowledge in order to find the right data for the robotic arm
- Learning how to develop a ROS application using multiple devices
- Strengthen my C++/LINUX/Python/XML knowledge

EDUCATION

Bachelor Degree in Computer Science and Automation
Technical University Cluj-Napoca, Automation Departament
📅 10/2016 - 06/2020   📍 Cluj-Napoca, Romania

Masters in Systems Engineering
Universitatea Tehnica Cluj-Napoca,
📅 10/2020 - Ongoing
📍 Cluj-Napoca, Romania

STRENGTHS

🏋 **Hardworking**

👥 **Good communication skills**

⏳ **Committed to Lifelong learning**

ACHIEVEMENTS

⚙ **Professional tennis player**
I played professional tennis for 10 years and I've participated in many competitions. Also I attented to different tennis academies in Barcelona.
